Comments

I have always had a good Service.

I have always found both surgeries very helpful. Easily got an appointment and found nurses and doctors understanding.

Reliable, helpful, explain and listen well.

The practice are caring and supportive in looking after long term conditions.

Appointment made with Buckden Surgery, checked in then informed I should be at Little Paxton. If all calls are made to Buckden number patients must be informed of where they are to attend. Petrol is precious. Service at Little Paxton Excellent.
